FLOORING SUPPLIES

Welcome

At DMS we strive to offer our customers a comprehensive range of the best quality flooring and accessories at competitive prices.

The best way to provide the most accurate and up-to-date pricing to our customers is through our new trade portal, and here's how it works.

We're on a mission to offer you the best portal in the flooring industry!

Step 1

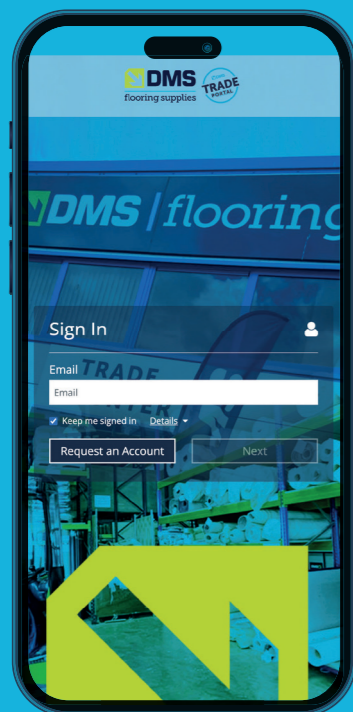

Call us to confirm your email address is registered on the portal.

Step 2

Once we've set you up, log on at: dmstrade-portal.co.uk/login

Step 3

Enter your email address and we'll send you an activation email.

Full directory list available at the back of the catalogue!

BRAMPTON CHASE DESIGN STRIPS

It's all in the detail...

STONES

STONES ULTRA

Studio Designs

Woodlands

Design Strips

2031 Ice	
2033 Pearl	
2035 Grey	
2037 Coffee	
2039 Graphite	

Polyflor grouting strips are our recommended product to use with Brampton Chase but any 2mm deep grouting strips are compatible.

Classics

CS01 White	
CS02 Grey	
CS03 Natural	
CS04 Rustic Brown	
CS05 Rustic Grey	

The thickness of Studio Designs and Stones Ultra is 2.5mm. These planks and tiles are bevelled down to 2mm on all sides. Any cut edges, of the planks or tiles, that are butted up to design strips will need to be bevelled down to 2mm.
